Finally, the moment is there: after postponing the European Company Sport Games for a year, we can now say that the ECSV2022 is about to start! We are very honored to host the games in the country where it all started. After the last years we have all become aware of the importance of vitality both at home and at work.

We have worked hard for the past 2 years to organize this event for you. With no city this year but an entire province as host, it meant running one step faster. As organizing partners, the Stichting Nederland Onderneemt Maatschappelijk & Team TOC are looking forward to see our amazing plans and details come to life during the event. We can't wait to show you our interpretation of the European Company Sport Games.

With the Province of Gelderland and the partners of the Municipality of Arnhem, the Municipality of Apeldoorn, the Municipality of Ede, Achterhoek and National Training Center Papendal, we have found the best sports locations and main hub for you. And thanks to the students of RijnIJSsel, we can make it a great event! Where we once again emphasize the importance of vitality in the workplace and can network together in a pleasant way and keep moving.

Let's make the #ECSV2022 one to remember!

With kind regards,
The ECSV2022 organizing committee

VELUWEWALK

The Veluwewalk is a low key activity in which everyone can participate; participants of the ECSG, supporters, locals, etc. It will take place on Saturday June 25 at 10.00 am. You can choose between two distances: 6 & 11 km. In contrary to previous years, this edition it will be a walk, not a run.

We will gather in front of the stage at the event site at 10:00 AM. From there we will guide you through the beautiful surroundings and forest that the Province of Gelderland and the Veluwe has to offer. Take in a deep breath of fresh air before returning to Papendal for one last party at the closing ceremony. Don't forget to take your filled reusable water bottle with you during the Veluwewalk.

Please register for the Veluwe Walk if you have not already done so when registering. Don't forget to wear your walking shoes. The track is unpaved for the most part. If you don't have walking shoes, we recommend wearing sturdy shoes.

Participating is at your own risk, our participant disclaimer applies here.

Sign up here for
the Veluwewalk!

Due to the wide distribution of sports venues and the provision of a uniform look, all official photos of the winners are taken at main hub Papendal.

Unfortunately it is not possible to facilitate the winners photos on Thursday. These official photos will be taken before the wall of fame. WE 
SPORT

Sustainability is and will remain an important topic, also during this event. Following on from the ECSG in Salzburg, we are taking over the baton in organizing a green event. The main criteria are: use of seasonal, regional and, preferably, organic foods and avoidance of plastic waste and PET bottles, reuse of promotional material, etc.

We took these points in deliberation while planning and organizing this event. In addition, we encouraged our sport locations to also be mindful of these issues.

OURS AND YOUR CONTRIBUTION

- Use the ECSG shuttles (only available when accommodations is booked via organization) or go carpooling.
- Every participant will receive a reusable water bottle. These bottles can be filled at the event site and at the sport locations. Tap water in the Netherlands is safe to drink and very tasteful.
- We will reuse the systems for our venue dressing for other events in the future. Systems that we won't reuse will be rent. This way we prevent a lot of promotional material and venue dressing from being thrown away after the event.

Together we can make sure that we reduce our waste to a minimum. We hope that our participants will take care of their environment, clean up after themselves and use our water bottles. All small things will help with this large group of people.

See you in **Arnhem!**
